**Section 4:** If Employees are required to travel to jobs located up to one hundred (100) car miles from the Employers primary business and stay out-of-town overnight, they will receive a Per Diem allowance in the amount of Sixty Dollars (\$60.00) for each day or acceptable room (Motel 6 quality) and board. When travel exceeds one hundred (100) car miles and an overnight stay is required, the Employee will receive Travel Time, as well as Per Diem in the amount of Sixty Dollars (\$60.00) for each overnight stay or Travel Time and Employer paid room and board.

**Section 5:** If an Employer does not have a shop in the jurisdiction of Local 27, they shall use the County Courthouse in Fresno or Bakersfield, whichever is closer as their point of reference for the above.

**Section 6:** Reasonable and safe transportation will be furnished by the Employer. If an Employee volunteers to use their personal vehicle to transport men or materials to the jobsite, they shall be paid Thirty-Seven Cents (\$.37) per mile or the rate established by the Internal Revenue Service as fair market value for the use of their vehicle.

**Section 7:** Employees shall not in any event carry or be required to carry tools, material and equipment in their own motor vehicle except their own necessary hand tools and clothing.
